Visual creation

PhotoSaintGermain supports young artists and commissions the creation of the festival's official image to a new emerging talent each year.

There is only one requirement: tell the story of Saint-Germain-des-Prés.

2015	Laurent Champoussin
2016	Nicolas Silberfaden
2017	Elsa Parra & Johanna Benainous
2018	Thomas Boivin

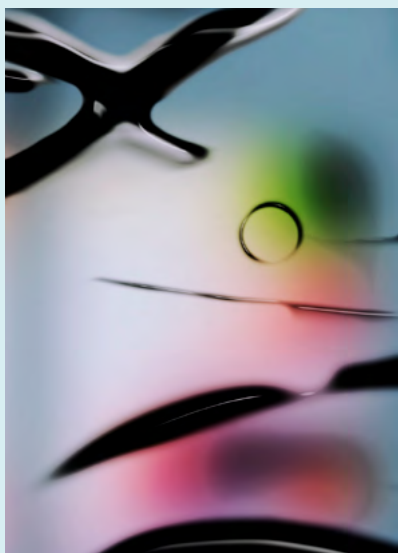

The image of the 2019 edition has been entrusted to **Marvin Leuvrey**.

Navigating between photography, 3D and video, his craft explores the by-products of the digital era. Reality and virtuality merge in abstract compositions, which seem familiar.

Born in Viriat (France) in 1992, Marvin Leuvrey lives and works in France.

He studied at the École nationale supérieure des beaux-arts, in Lyon before attending the École cantonale de l'art, in Lausanne, where he received a diploma in 2017. Nominated for the MACK First Book Award (2018) and the FOAM Paul Huf Award (2018, 2019), he recently presented his series *Overflow* at the Benaki Museum during the Athens Photo Festival and at the Winterthur Fotomuseum during Plat(t)form 18. He regularly contributed to magazines like Wallpaper*, Harper's Bazaar Japan, Le Temps, Domus, Time Magazine, Novembre Magazine, Klima Magazine or L'Officiel Paris.
